This evening, you will be able to watch the 4TH of July fireworks! The fireworks display showcases 48,000 fireworks and lasts 25 minutes. It is one of the biggest fireworks displays in the world. Don't miss out on the fireworks that start between 9:15pm-9:30pm on the East River around Midtown Manhattan. The display can best be seen from Long Island City, Greenpoint in Brooklyn, or from Midtown Manhattan between 14th and 50th Street. However, there will be 3 million people watching, so come as early as 11:00a.m. to ensure that you get a great spot. If you don't feel like doing this, there are alternative options:

See the Fireworks from a Dinner Cruise *On your own & extra fee

A great option to enjoy Independence Day and the fireworks is to take a dinner cruise. Many of the dinner cruises offer a 5-course meal and a premium open bar. On the luxury cruise you are treated to appetisers and a live DJ as well. Everyone is expected to dress up and some of the yachts will only accommodate 200 guests.

Evening Boat Tour *On your own & extra fee

If you don't want to take a dinner cruise, but do want to have a great view of the fireworks then you might want to take an evening boat tour. The boats leave at around 5:00 or 6:00pm giving you plenty of time to enjoy the

sights of New York before seeing the fireworks. These tours offer food and drinks for purchase on board and some cruises might also have entertainment. These boat tours are cheaper than the Dinner Cruises.
