### BREAKFAST ON FERRY (ON YOUR OWN)

#### 7:15 AM – DISEMBARK FERRY (OR WHEN ANNOUNCEMENT IS MADE)

This morning after breakfast, we will start our journey by heading up the Northern Peninsula passing through **Gros Morne National Park** with valleys, spectacular fjords, mountains and stunning scenery en-route to our destination of St. Anthony where we will stay for two (2) nights. After lunch, we will stop at the [Arches Provincial Park](#). Don't forget your camera as you may see numerous moose along the way today.

Tonight, after dinner (on your own), you will be able to relax for the night and get ready for a great Newfoundland trip. There are plenty of choice near the hotel and there is a restaurant in the hotel as well.

## DAY 3: SATURDAY, AUG 16 – ST. ANTHONY – LOCAL TOURING

After breakfast, we will head to the most Northern tip of Newfoundland to visit the **Statue of Leif Erickson** who landed there over 1000 years ago and thus the Viking Settlement was born. We will step back in time as we venture out to **L'Anse aux Meadows**, home of the Viking People and the remains of the Norse buildings.

After lunch (on your own), we will visit the [Grenfell Historic Properties](#) and the [Fox Point \(Fishing Point\) Lighthouse & Gift Shop](#) where you will have great opportunities for taking beautiful scenic pictures!

Tonight for dinner, we will enjoy a great meal at a wonderful local restaurant where we will also have an “Old-Fashioned Newfoundland Kitchen Party” with dancing and of course you will all become “Honorary Newfoundlanders” and be Screeched-In!

## DAY 4: SUNDAY, AUG 17 – ST. ANTHONY TO GANDER (2 NIGHTS)

Today after breakfast we head back down the beautiful scenic coast retracing our footsteps and keeping our eyes open for moose. We will be driving in **Gros Morne National Park** which is also a World Heritage Site, as well as enjoy lunch in Shallow Bay. After lunch, we will then continue and overnight in Gander for two (2) nights,

crossroads of the world and inspiration for the Tony award winning Broadway play, *Come From Away*. Tonight, you will have a relaxing night at the hotel. There are also plenty of food options near the hotel and also a restaurant inside the hotel.

### **DAY 5: MONDAY, AUG 18 – (GANDER) TWILLINGATE**

We will enjoy beautiful scenery with tickles, runs and inlets as we head for **Twillingate**, a.k.a. Iceberg Alley, where we will have an adventure with **Iceberg Quest Ocean Boat Tours**. We will explore Iceberg Alley with their award-winning boat tour as we set sail from the vibrant outport community of Twillingate. Marvel at 12,000-year-old icebergs (fingers crossed), observe majestic humpback whales (fingers crossed) and watch elegant seabirds frolic along our coastlines. Relax as the friendly crew proudly introduces us to outport Newfoundland's way of life, charisma and hospitality that attract visitors from around the globe.

The two (2) hour tour is supported by a compelling narrative, highlighting the natural and cultural history of Newfoundland. The vessel offers open decks for unobstructed viewing, heated cabin and washroom facilities. Full bar service and light snacks are available for purchase. Every tour is accompanied by traditional Newfoundland music.

After the boat tour, we will have lunch and wine tasting at a winery (included). There is also a beautiful gift shop here if you wish to purchase some souvenirs. ### **DAY 6: TUESDAY, AUG 19 – GANDER TO CLARENVILLE (BONAVISTA & TRINITY) (1 NIGHT)**

Today after breakfast, we head out to the historical town of Bonavista. We will visit "**The Matthew Legacy**".

The Matthew is a replica of a caravel sailed by [John Cabot](#) in 1497 from [Bristol](#) to North America, presumably [Newfoundland](#). After a voyage which had got no further than [Iceland](#), Cabot left again with only one vessel, the Matthew, a small ship (50 tons), but fast and able.

We will have lunch at the historic harbor front area and then after lunch we will visit **Cape Bonavista Lighthouse** and the **Puffin Colony**. Built in 1843, the lighthouse at Cape Bonavista is one of the few in the world where you can still climb up the stone tower and see the same seal oil fueled catoptric light apparatus that was used in the 1800s. Experience a light keeper's day in 1870 - a 24-7 job of polishing glass, filling oil lamps, recording weather patterns and watching the waves from one of the most rugged points in Newfoundland. A great destination to watch for whales, icebergs and puffins in summer.

Then we will head to Trinity to visit the **Old Trinity Historic Site** (*optional – on your own and at your own cost*). Nestled in the picturesque town of Trinity, this site showcases beautifully restored buildings from the 18th and 19th centuries, including the iconic Trinity Museum and the charming St. Paul's Anglican Church.

This evening, we will have dinner with amazing views here in Trinity! After dinner, we will then make our way back to the hotel for the night.

This morning after breakfast, we will have our last amazing boat tour with **O'Brien's Whale & Puffins** award winning tour. Hopefully we will see whales (no guarantee) and puffins. There is a gift shop with snacks on the boat (*added cost*).

After lunch at a local restaurant, we will head to we make our way to St. John's, the province's capital city where we will make our home for the next two (2) nights where you can relax a bit and then go out for dinner (*on your own*) in beautiful Downtown St. John's. There are plenty of restaurants in the area to explore! The remainder of the evening is yours to explore one of the oldest cities in Canada. Enjoy your time here!
