Today we will travel through **Nova Scotia, New Brunswick** and **Quebec**, arriving at our hotel in **Quebec City** (area) around **4:00 pm**. This evening, we'll drop you off in **Old Quebec** for supper (*on your own*).

After, our Halloween fun begins as the night falls with a 90-minute **Animated Crime Walking Tour** through the haunted streets of **Old Quebec**. Led by the ghostly guides, the infamous executioner **Jean Rattier** and his wicked wife **Marie Rivière**, you'll uncover the darkest crimes, arrests, and executions that happened in Quebec City centuries ago. As you walk through the cobble streets under the cover of darkness, you'll hear grisly stories that still haunt the city's shadows—tales of suffering and sin that have been buried for far too long. **Old Quebec** will reveal its hidden secrets, and trust us, you'll feel the spirits of the past as they whisper their grim history in your ear. Get ready for a Halloween night that will leave your blood running cold... 🎃 🧛 🕸

DAY 2: WEDNESDAY, OCTOBER 14 – QUEBEC CITY TO NIAGARA FALLS

Start your day with a complimentary hot breakfast before we journey to the breathtaking **Niagara Falls**, where we'll spend four (4) eerie nights in the heart of downtown. Along the way, we'll make stops for breaks, lunch, and dinner to keep your spirits up.

Upon arrival (**around 7:30 pm**), you'll have free time to explore the mysterious surroundings at your own pace. Feeling brave? Head over to **Nightmares Fear Factory**, where over **190,270 people** have chickened out (you can actually hear their screams echoing from the building)! [Purchase your ticket online](#) in advance to save money! (And if you chicken out, at least you'll save some money... haha!) 🧛

As darkness falls, you will have the evening on your own to explore and enjoy your first haunted night in this spooky destination! 🌑 🕸

DAY 3: THURSDAY, OCTOBER 15 – NIAGARA FALLS

After your complimentary hot breakfast, we'll begin the day with a chilling visit to the **White Water Walk**, where you'll get an up-close look at some of the world's most powerful rapids, roaring through the **Niagara Gorge** at speeds of up to 32 miles per hour! Hold tight, as the waters crash and swirl with a ferocity that will send a shiver down your spine!

Next, we'll venture to **Journey Behind the Falls**, where you'll walk through eerie tunnels carved into the rock to witness an unforgettable view from behind the massive falls—feel the mist and hear the roar of the cascading water as it tumbles down.

After lunch (*on your own*), prepare for the **Hornblower Cruise**, where you'll sail to the base of the Falls for a breathtaking, mist-filled view of the thundering water. Brace yourself for a refreshing spray from the falls and feel the raw power as it crashes before you! *A quick tip: You will get misted! While a poncho is provided, we highly recommend wearing waterproof footwear as the deck can get wet.*

Later this afternoon, you'll have **free time** to explore **Niagara-on-the-Lake**, Canada's most haunted town, where eerie tales and ghostly legends lurk around every corner. Take some time to wander the streets and enjoy a supper in one of the many local restaurants. As the night sets in, get ready for an unforgettable **Halloween Ghost Tour at Fort George** (candlelit walking tour).

Step into the darkness of **Fort George** after dark, where the ghostly past of this haunted fort will come to life. On this candlelit tour, you'll hear spine-chilling accounts of real hauntings, as we delve into the eerie history of both **Fort George** and **Niagara-on-the-Lake**. This isn't your typical haunted house tour—no actors or jump scares here. Instead, we'll share the real stories of people's ghostly encounters, and you may just walk away with an experience of your own. The tour runs for **1.5 to 2 hours** through the dimly lit fort, covering some rough terrain. Dress warmly, wear comfortable shoes, and prepare for a truly **haunting experience!** ❤️ 🕸

Tonight, you will have the evening on your own to relax or explore the area at your own pace.

In the evening, prepare for more spooks as we head to **Haunt Manor**. This haunted attraction is known for its terrifying labyrinth of rooms, each filled with gruesome surprises and hair-raising moments. **Haunt Manor** will test your nerves with its dark corridors, creepy animatronics, and live actors lurking in the shadows.
